No. 146

TEACHERS' CONVENTION IS NOW FINISHED

The Teachers' Convention which has just terminated has been the most successful yet held. The convention at the Edin street school was well-attended and was the various functions.

The following resolutions were drafted and approved by the convention:

Resolved that it is the opinion of this association the time has arrived for secondary schools, with separate designation and accommodation apart from the elementary schools.

That the present course should be suitably expanded to take account specifically of commercial work, manual training of specialized sort, domestic science and agriculture, but that these should not be separate from the other work, but should be associated with a certain minimum training in the liberal arts of the secondary schools.

That in the case of agriculture there should be not less than two acres selected and not more than four and that demonstrative work, experiments and observations on a well managed farm associated with the schools should be part of the work.

That financial recognition should be given to special subjects in the elementary school programme of studies.

That the association should have a correct report from a finance committee of the business meeting.

That this association give permission to that portion of the association known as the Vegreville inspectors to withdraw from the larger associations and that after the expenses of this meeting be defrayed by the association.

That the association be instructed to pay the cost of surplus to Mr. Lockie in trust for the association to be organized.

The officers elected were:

R. B. Roberts, Edmonton, president.

R. H. Olson, Strathcona, first vice-president.

W. A. Munn, Strathcona, second vice-president.

Mrs. Carey, Wetaskiwin, third vice president.

Resolution committee—A. W. Keith.

Wetaskiwin; Pres. G. A. McKie, Strathcona; Wm. Ren, B. A. Edmonton; H. R. Parker, Fort Saskatchewan; Miss Murray, Edmonton.

After the close of the convention on Saturday afternoon the majority of the teachers adjourned to the skating rink where a basketball tournament was held. Teams of girls from Wetaskiwin, Wetaskiwin, Fort Saskatchewan, Lacombe and Strathcona were on hand to compete for the championship silver shield presented some of the girls by Inspector Thibodeau, of Lacombe.

Strathcona and Lacombe played the initial match and the south team won by the close score of 6 to 3. The score does not indicate the game, however, as the local girls seemed to have the best of the final championship nearly the entire game.

In the second round Wetaskiwin defeated Lacombe.

Fort Saskatchewan fell an easy victim to Edmonton's newly organized team of eleven players to a score of 20 to 6.

With the three winning teams to contest for the supremacy the management decided instead of allowing one team to draw a bye, to have each team play another 15 minutes, then one rest and so on until each of the three teams had met the others twice each.

In the first half Lacombe defeated Wetaskiwin 4 to 1 points and Wetaskiwin defeated Edmonton by 6 to 2. Edmonton also lost then to Lacombe 4 to 2.

In the second round Wetaskiwin lost to Lacombe by a score of 8 to 3, then won from Edmonton again 12 to 4.

The final game between Lacombe and Wetaskiwin resulted in a decisive win for the result in a decisive win for the south team representative by a score of 8 to 3, this winning the match and the Thibodeau shield and the championship by a total score of 16 points. Wetaskiwin took second with 15 points and Edmonton 13 with six points.

Several teachers left for their respective districts on the afternoon train, but the majority of them will have tomorrow morning.

Go to the blood, if you are to drive rheumatism, a Wisconsin physician, Dr. Shop, does this with his Rheumatic Remedy—and with seeming success. Rub-on-*a*, says the doctor, never cures rheumatism. It is more the skin deep. It is constitutional always. Because of this principle, Dr. Shop's Rheumatic Remedy is perhaps the most popular in existence. It goes by word of mouth from one to another, everywhere. Grateful patients gladly spread the news. It is an act of humanity to tell the sick of a way to health. To some sick *o. e.* Sold by all dealers.
